

The diagram illustrates a network architecture. A central box labeled "MANAGEMENT STATION" is connected to four surrounding boxes, each labeled "MANAGED NODE". The connections are labeled "COPS-PR". The Managed Nodes are labeled with handwritten reference numerals: 14a (bottom-left), 14b (top), 14c (right), and 14d (bottom-right). A handwritten "10" with an arrow points to the overall system.

```

graph TD
    MS[MANAGEMENT STATION] --- COPS-PR --- MN1[MANAGED NODE 14a]
    MS --- COPS-PR --- MN2[MANAGED NODE 14b]
    MS --- COPS-PR --- MN3[MANAGED NODE 14c]
    MS --- COPS-PR --- MN4[MANAGED NODE 14d]
